"Eliza educates elephants. Manny mimics monkeys. Sisika sings with sparrows." Each letter of the alphabet gets its own alliterative sentence involving a name, an activity, and an animal. This fresh approach to the ABCs is coupled with Kate Endle's charming and colorful collage art. Kate Endle is a collector of beautiful and unusual printed papers, and she uses them to compose vibrant images for children's books and original artwork--which makes her books completely unique and immediately recognizable by a growing following. Readers can also download a free MP3 song of the text performed by Caspar Babypants, who is a popular performer and recording artist in the world of children's music (as well as lead singer of the Presidents of the United States).
