*To err is human, to forgive is against his policy.*

*Brew Crew, Book 2*

Bailey Harris is eager to move up at Huxworth Packard. Her mentor advises her to network more after hours. But that means she'll have to reveal the reason she rushes out of the office at five o'clock on the dot—and it's not for happy hour Cosmos.

On the other hand, more office time means more opportunities to feast her eyes on the firm's executive creative director, the gorgeous, brilliant Mason Ward.

Mason sure has noticed the sweet, sexy media girl, but with a past that left his heart an echo chamber, his focus is on work. The occasional itch he scratches with meaningless, emotionless hook-ups. Though he's determined to keep his hands off Bailey, he can't resist when she makes it very clear she wants his hands *on*.

They're on the same sexy page about their relationship—Bailey doesn't have the time, and Mason doesn't have the heart. But when meaningless sex suddenly becomes very meaningful, they find themselves in dangerous emotional waters.

*Warning: This book contains a girl with a mad crush, a mad man with a mysterious past, secrets, lies, and shoes.*
