Say it Proud Robin Johnson

Say it Proud provides families with a short ritual to start their day with a positive outlook and the reminder that children have limitless potential. The power of transforming negative thoughts into a positive daily affirmation is beneficial habit that children can apply throughout their lives. Affirmations such as 'I am a winner' and 'I have special talents' will help children to stay positive even during their tough days. Other affirmations like 'I am an amazing child of God' and 'God loves me' will remind children that God cherishes them. This book is a must-have for all families looking to change young lives by simply improving their daily outlook. '[These] daily affirmations are a map to help build self-confidence, freedom, and faith within children...and will help them to thrive and succeed. It is a book that will push them closer to discovering their talents and their purpose and empower them to pursue their dreams.' Dr. RichÃ© Richardson, associate professor at Cornell University
