**The Beauty Kill (Narc Book 6)** Marc Olden

**On the verge of death from two gunshot wounds, Bolt vows revenge**

They call him Black Beauty, because he is the most gorgeous thief the drug world has ever seen. Where some are content to make a living ripping off dime-bag hustlers, Black Beauty steals from big-time dealers, taking profits from international cartels to keep himself rich, well-dressed, and smiling. His latest score netted him \$850,000, along with the twenty-two kilos of cocaine the money was intended to buy. To get it he killed four men, and left one narcotics agent to bleed to death in a parking lot. Before long, Black Beauty will wish he finished the job.

John Bolt is too tough to let a pretty boy kill him. As soon as he's strong enough to lift a .45, he's coming after Black Beauty—even if he has to take vengeance from a wheelchair.
