**Jesus in America** Richard W. Fox

Where else but America do people ask: What Would Jesus Do?  
What Would Jesus Drive?  
What Would Jesus Eat?

"This book is for believers and non-believers alike. It is not a book about whether one should believe in Jesus, but about how Americans have believed in and portrayed him."—from the Introduction

*Jesus in America* is a comprehensive exploration of the vital role that the figure of Jesus has played throughout American history. Written by one of our most distinguished historians, Richard Wightman Fox, this book provides a brilliant cultural history of Jesus in America from its origins to today, demonstrating how Jesus is the most influential symbolic figure in our history.

Benjamin Franklin understood Jesus as a wise man worthy of imitation. Thomas Jefferson regarded him as a moral teacher. The assassination of Abraham Lincoln, which occurred on Good Friday, was popularly interpreted as paralleling the crucifixion of Jesus . . . as one preacher put it, "Jesus Christ died for the world, Abraham Lincoln died for his country." Elizabeth Cady Stanton appropriated Jesus' message to champion women's rights. George W. Bush named Jesus as his favorite political philosopher—and several other GOP candidates followed suit—during the last presidential race. As we have seen in recent presidential elections, the name of Jesus is often thrust into the center of political debates, and many Americans regularly enlist Jesus, their ultimate arbiter of value, as the standard-bearer for their views and causes.

Fox shows how Jesus influenced such major turning points in American history as:

- Columbus's voyage of discovery
- The arrival of the English puritans and Spanish missionaries
- The American Revolution
- The abolition of slavery and the Civil War
- Labor movements
- Social and cultural revolutions of the sixties and beyond
- The swelling tide of Christian voices in the politics and entertainment of today

Fox gives an expert, lively account of all the ways that Jesus is portrayed and understood in American culture. Extensively illustrated with images representing the multitude of American views of Jesus, *Jesus in America* reveals how fully and deeply Jesus is ingrained in the American experience.

### From reader reviews:

#### Elizabeth Hager:

What do you about book? It is not important with you? Or just adding material if you want something to explain what your own problem? How about your spare time? Or are you busy person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have time? What did you do? Every person has many questions above. They must answer that question because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this specific Jesus in America to read.

#### Dwight Roberts:

Playing with family in a park, coming to see the water world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. I activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Jesus in America, you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its called reading friends.

#### Ernest Poole:

This Jesus in America is fresh way for you who has intense curiosity to look for some information mainly because it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or you who still having bit of digest in reading this Jesus in America can be the light food for you because the information inside this specific book is easy to get by simply anyone. These books produce itself in the form and that is reachable by anyone, yes I mean in the e-book contact form. People who think that in reserve form make them feel sleepy even dizzy this reserve is the answer. So there is not any in reading a e-book especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the item! Just read this e-book style for your better life as well as knowledge.

#### James Melendez:

Guide is one of source of information. We can add our knowledge from it. Not only for students but also native or citizen require book to know the change information of year to be able to year. As we know those ebooks have many advantages. Beside most of us add our knowledge, may also bring us to around the world. Through the book Jesus in America we can acquire more advantage. Don't you to be creative people? To get creative person must prefer to read a book. Just choose the best book that suited with your aim.
