Lifespace: The Practice of Life with God Joni Grace Powers, Robert Pyne

Life with God is a huge gulp of fresh air. Our existence as children of God should reflect unending, unbounded delight in the infinite glory of our Father. Too often this is not the case in our lives as we stagger far from God's expansive vision. But hope reigns. God has promised abundant life brightly illuminated with His glory. In *LifeSpace*, Joni Powers and Bob Pyne write for all who want to experience anew the life-giving breath of the Creator. They encourage readers to embrace the gift of expansive life that God is offering to each of us. This is only realized, they explain, as we properly understand the person of God, our relationship with him, and the radical freedom of grace. This visionary book is a life-altering call to a way of being that results in transformation with every breath. Come and join the conversation with those seeking lives that delight in God, a place of transcendent rest and a limitless horizon of possibility.
