Fifteen year old Courtney wants to be normal like her friends. But there's something frighteningly different about her—and it's not just the mysterious tattoo her conspiracy-obsessed grandfather marked her with when she was a child. "Mental illness is a slippery slope," her mother warns her. And the last thing Courtney wants to do is end up crazy and dead like her grandfather did.

But what about the tattoo? And the alien scouts who visit Courtney in her bedroom at night claiming to have shared an alliance with her grandfather? And her new friend Agatha's apocalyptic visions? They have to be connected. Courtney has a mission: untangle her past, discover the truth, and stop the apocalypse before anyone from school finds out she's missing.
