**The Mercenary (T-FLAC Psi Unit: Night Trilogy Book 1)** Cherry Adair

Victoria Jones was a lousy liar. Not that the sensible bookkeeper was accustomed to lying—or anything else that would have disrupted her safe, dull existence. But her world took a terrifying turn when her twin brother, Alex, an agent for T-FLAC, the elite antiterrorist task force, went missing.

Now she'll do anything to find him...lie, cheat, even subject herself to the predatory advances of Alex's T-FLAC partner, Marc Savin, if it will help get her brother home safe.

But trusting the sexy, brooding operative might just be the risk of a lifetime.
