Working With Violence: Policies and Practices in Risk Assessment and Management

Judith Milner, Steve Myers

Working With Violence: Policies and Practices in Risk Assessment and Management Judith Milner, Steve Myers

Assessing and managing violence places a heavy burden on practitioners in social work, criminal justice and health care settings. Milner and Myers examine current explanatory theories of violence and how these influence assessment and intervention. Using case studies and a variety of agency documents, the strengths and weaknesses of these approaches are weighed up and a framework is presented to help workers looking to effect positive change.
