You Know Me Better Than That (A Short Story) (Kindle Single) Jennifer Blackman

This story was originally published in Day One, a weekly literary journal dedicated to short fiction and poetry from emerging writers.

There's the story that the public has heard, and then there's the story that Miranda Knox actually lived. Now she has the chance to set the record straight on the infamous relationship between herself, her sister, and Wil—now a famous celeb and the town's most famous export. Miranda doesn't hold back on the dirty details, recalling Wil's faded blue eyes, the sticky leather seats of his pickup truck, and his hand on her knee while his eyes were on her sister. And the incident that changed all their lives: Luke belonged to both Knox sisters and they both nearly killed him, but Miranda alone was the one to save him in the end. Told with wry humor and a sense of tart regret, *You Know Me Better Than That* is a story about the consequences of living in second place.
