Goddesses and the Divine Feminine: A Western Religious History Rosemary Ruether

This landmark work presents the most illuminating portrait we have to date of goddesses and sacred female imagery in Western culture—from prehistory to contemporary goddess movements. Beautifully written, lucidly conceived, and far-ranging in its implications, this work will help readers gain a better appreciation of the complexity of the social forces— mostly androcentric—that have shaped the symbolism of the sacred feminine. At the same time, it charts a new direction for finding a truly egalitarian vision of God and human relations through a feminist-ecological spirituality.

Rosemary Radford Ruether begins her exploration of the divine feminine with an analysis of prehistoric archaeology that challenges the popular idea that, until their overthrow by male-dominated monotheism, many ancient societies were matriarchal in structure, governed by a feminine divinity and existing in harmony with nature. For Ruether, the historical evidence suggests the reality about these societies is much more complex. She goes on to consider key myths and rituals from Sumerian, Babylonian, Egyptian, and Anatolian cultures; to examine the relationships among gender, deity, and nature in the Hebrew religion; and to discuss the development of Mariology and female mysticism in medieval Catholicism, and the continuation of Wisdom mysticism in Protestantism. She also gives a provocative analysis of the meeting of Aztec and Christian female symbols in Mexico and of today's neo-pagan movements in the United States.

The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly assist you to pick up this book.

Cheryl Crockett:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for

yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Goddesses and the Divine Feminine: A Western Religious History can make you feel more interested to read.
