After losing both her wedding dress and herself during the never-ending search for the sword, a lost Sadie must summon more courage than ever before as she continues toward her destiny...

Her journey quickly takes a turn for the worse when she is attacked and thrown into the Land of Death. There, she must crawl and claw her way through death itself until she comes face-to-face with none other than: Alasdair.

Alasdair takes Sadie back to his cave and they promise each other eternity. But, like all good things in Sadie's journey, it too ends when Alasdair wakes up one morning confused and storms away without explanation. Sadie is left alone in the cave that once held all her desires, questioning whether she will ever see Alasdair again. She begins to break down, losing herself in all the ugliness and darkness that is left.
