Wellinghams (4 Book Series) Sophia James

From Book 1:

Asher Wellingham, Duke of Carisbrook, was captivated by her! He had happened upon Lady Emma Seaton swimming naked and, beyond her beauty, had seen the deep curling scar on her thigh— a wound that could only be the mark of a sword.

Who was this creature of contradictions? Something about her brought back tantalizing memories from the past. Her ill-fitting, threadbare clothes concealed the body of an angel, but what kind of woman truly lay behind her refined mask? Highborn lady or artful courtesan, she intrigued him and Asher wanted to possess both!
