Writers and Politics: Essays and Criticism

Conor Cruise O'Brien

Writers and Politics: Essays and Criticism Conor Cruise O'Brien

Arguably Conor Cruise O'Brien's most influential and admired book was this brilliant collection of essays - on history, literature and public affairs - first published in 1965.

'I can still remember the excitement with which I discovered a copy of *Writers and Politics*, in a provincial library in Devonshire thirty years ago. Nobody who tries to write about either of those subjects, or about "the bloody crossroads" where they have so often met, can disown a debt to the Cruiser.' Christopher Hitchens, *London Review of Books*

'When a liberal can write such pieces as "Mercy and Mercenaries", "Journal de Combat", "Varieties of Anti-Communism", "A *New Yorker* Critic", and "Generation of Saints", an important voice has returned to our culture.' Raymond Williams, *Guardian*
