Vocabulary knowledge plays a huge role in the academic success of middle school students. But which words do students need to know to master the content in their textbooks, and how can they be learned? This book has the practical answers educators need. Middle school teachers will get **five extensive, research-based lists of academic vocabulary words** most frequently used in student textbooks—the words kids need to know to **increase their comprehension** and **succeed in school**. Teachers will also get critical background information on the importance of academic vocabulary, guidance on testing word knowledge, and proven teaching strategies for weaving vocabulary instruction into their everyday lessons. A great resource for in-service professional development *and* preservice teacher preparation courses!

HELP MIDDLE SCHOOL STUDENTS:

- Strengthen academic vocabulary knowledge in five key school subjects
- Master the content they need to know under the Common Core State Standards
- Understand *why* the words they encounter in textbooks are important
- Improve comprehension and eliminate roadblocks to understanding what they read
- Increase school success (for *all* students, including English language learners and those with disabilities)

PRACTICAL MATERIALS: Five research-based lists of hundreds of academic vocabulary words, each one devoted to a key content area. Plus helpful discussion questions and 15 detailed vocabulary instruction activities, including "fix-ups" for struggling readers and English language learners and extensions that build on the activities.
