In this beautiful little gift book, you'll learn everything you need to know about aromatherapy. It's long been known that Mother Nature provides us with an extensive medicine cabinet, and aromatherapy lets us use her gifts in an empowering way. From her flowers, trees, bushes and herbs, oil is extracted and used to treat a wide range of ailments, and it's the use of these essential oils in our everyday lives that can uplift our moods (and senses), provide first aid, and assist us in getting closer to ourselves through greater awareness.
