INTRODUCTION of Journey to Purpose

As I have struggled with infertility and subsequently had a hysterectomy (removing of the womb) at the age of 25, barrenness or infertility, is a topic that has, for obvious reasons, interested me since I know that many women face this issue and are living in shame, secrecy and depression.

The summary of the benefits and curses of the law as given to Moses by God shows that if the nation were to be obedient there would not be any barren men, women or animals in their population. It also shows that God himself is capable of either shutting up a womb or opening it as he wishes. Exodus 23:26, Deuteronomy 7:14.

As I try to share my story of challenges, fears and victories, I hope it will be a blessing to all who read it.
