Richard II

William Shakespeare

Richard II William Shakespeare

Considered one of Shakespeare's greatest history plays, *The Tragedy of King Richard II* concerns the ill-fated reign of a king whose eventual overthrow marks the beginning of Shakespeare's history cycle, including *Henry IV, Part I*, *Henry IV Part II*; and *Henry V*.

This edition features an overview of Shakespeare's works by Sylvan Barnet, former Chairman of the English Department at Tufts University, as well as a comprehensive stage and screen history, dramatic criticism from the past and present, and sources from which Shakespeare derived this great work.
