**Superstar: A Novel** Viva

**A bold and uncensored fictional account of the wild life at Andy Warhol's world-famous Factory by a real-life superstar who witnessed it all**

Author, video artist, underground film actor, and superstar, the incomparable Viva is arguably the most famous of Andy Warhol's protégés, a mainstay at the enigmatic artist's Factory. In her riveting, revelatory, totally uncensored, and scandalously entertaining novel, the Factory doors are blown wide open, exposing a world of sex, drugs, and genius.

Based on Viva's own life, *Superstar* is the story of Gloria, a repressed, convent-educated aspiring artist who escapes the strictures of her stifling existence and flees to New York City. Falling in with an iconic artist referred to as A. and his coterie of outrageous, beautiful avant-garde acolytes, transvestites, boy toys, and hangers-on, Gloria is reborn, undergoing a remarkable transformation from sheltered young innocent to sexual athlete, film star, and media darling. Over the course of her reawakening, she sheds her every inhibition as she experiences what ordinary people only dream about in their most secret fantasies . . . or worst nightmares.

Though the names have all been changed, the real stars of Warhol's factory are scandalously recognizable. Viva injects her own unique style and personality into a story at once outrageous and brutally honest: the unforgettable making of a superstar.
