Maggie Russell is considered the most brilliant young businesswoman in London. She's wealthy, lives in a posh flat, rubs elbows with the other elites of the business world and is completely content with the life she leads. When her grandfather dies, Maggie desperately searches for a way to make her grieving grandmother happy again. As luck would have it, the country house her grandparents lived in during their newlywed days is going up for auction and Maggie's determined to purchase it for her grandmother. Unfortunately, this city girl is no match for the countryside and its wild ways. Luckily for her, the mysterious farmer Finn Gordon is in a mood to save this damsel in distress. But when an unyielding rainstorm keeps her cooped up in the home of her rescuer, Maggie comes face-to-face with a desire as fierce and wild as the downpour outside.
