## **Vivir sin morir (Spanish Edition)** Lita Donoso

Lita Donoso, la creadora del Método Alkymia y autora de una serie de libros súper ventas, asegura que la muerte no existe. En su nuevo libro entrega reveladores e inspirados testimonios de pacientes que a través de su método de autosanación y autorrealización, lograron trascender definitivamente la experiencia de lo que, según dice la autora, "erróneamente y durante tanto tiempo hemos denominado "muerte"". La autora quiere compartir testimonios de personas que pudieron comprobar por sí mismas que este cambio puede ser vivido desde el espíritu como una oportunidad para liberarnos de la peor de las cargas que tiene el ser humano: el miedo a la muerte propia o la de un ser amado. Pero también, agrega: "Puede ser la vía mediante la cual conquistar la victoria de la Vida Eterna". "Espero que estos testimonios puedan abrir portales de amor, fe y esperanza a todos los que transitan por el camino de la inminente partida de un ser amado o bien por el dolor de un duelo no resuelto de alguien que ya partió".
