## **Friends and Foes** Sarah M. Eden

After five years of tracking and capturing spies on English soil, Philip Jonquil, Earl of Lampton, is in pursuit of his last quarry. But at a traveler's inn, he encounters an unexpected and far more maddening foe: Sorrel Kendrick, a young lady who is strikingly pretty, shockingly outspoken, and entirely unimpressed with him. Indeed, Sorrel cannot believe the nerve of this gentleman, who rudely accuses her of theft and insults her feminine dignity. Doubly annoyed when they both end up at a party hosted by mutual friends, Philip and Sorrel privately declare war on one another. But Philip's tactics, which range from flirting to indifference, soon backfire as he finds himself reluctantly enjoying Sorrel's company; and, much to her dismay, Sorrel finds Philip's odd manner to be increasingly endearing. In the midst of this waning war and growing attraction, Philip catches wind of the French spy he's been tracking, and Sorrel inadvertently stumbles upon a crucial piece of the puzzle, making her indispensable to the mission. But can two proud hearts negotiate a ceasefire when cooperation matters most?

### From reader reviews:

#### **Luther Roberts:**

The book Friends and Foes make one feel enjoy for your spare time. You may use to make your capable far more increase. Book can being your best friend when you getting stress or having big problem along with your subject. If you can make reading through a book Friends and Foes for being your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about many or all subjects. You are able to know everything if you like open and read a reserve Friends and Foes. Kinds of book are several. It means that, science publication or encyclopedia or others. So , how do you think about this e-book?

#### **James Atkinson:**

Playing with family within a park, coming to see the ocean world or hanging out with pals is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Friends and Foes, you can enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

#### **Kayla France:**

In this period globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The health of the world makes the information better to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended to you personally is Friends and Foes this guide consist a lot of the information on the condition of this world now. This kind of book was represented just how can the world has grown up. The language styles that writer use to explain it is easy to understand. The particular writer made some research when he makes this book. Honestly, that is why this book ideal all of you.

#### **Irving Dorn:**

As a student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Friends and Foes can make you feel more interested to read.
