Have you been looking for a scientific resource that wasn't afraid to admit the truth, whatever that truth might be? Have you been searching for someone knowledgeable about cosmology and biology yet still a believer in the God of the Bible? In *God Did It*, author Durwood Hatch offers readers a fair-minded approach to the sciences. Why do so many begin scientific inquiry with assumptions that have no grounds? With an emphasis on cosmology and biology, Durwood candidly discusses the errors inherent in current scientific worldviews. With a keen understanding of the sciences, he offers clear and innovative answers to some of science's most difficult problems. By not dismissing the idea of God before he begins, he shows readers many deep questions in science that overwhelmingly point to an intelligent designer. Find out more about red-shifts, distance triangulation techniques, microwave radiation, evolutionary biology, important legal cases regarding science, and more!
