## **Lungo i vicoli di Perasanta (Italian Edition)** Giuseppe de Nittis

Nel paese di Perasanta lo scorrere del tempo si è arrestato il giorno in cui le sabbie hanno sommerso il suo naturale sbocco al mare. Da allora i suoi abitanti conservano immutate abitudini e mentalità, con tutto ciò che questo comporta di positivo e di negativo. Sullo sfondo di questo paese immaginario - distante da tutto e perso nel tempo - coesistono i rappresentanti di una minuscola società discreta: un ereditiere oramai anziano; la sua domestica anch'essa vicina alla terza età; il figlio illegittimo della stessa; un imprenditore edile in disgrazia e molti altri personaggi minori utili tuttavia per conferire una precisa personalità all'abitato. Le cose cambieranno un mattino di primavera, quando un vagabondo deciderà di accamparsi in prossimità del paese. È lui il motore di questa storia. La sua sola presenza sarà all'origine di una serie di sospetti e suggestioni sufficienti a dare al volano dell'esistenza la spinta necessaria per ripartire. Egli sarà quindi l'involontaria causa degli sconvolgimenti che avverranno nel paese ed è soltanto grazie a questa inaspettata presenza che un'umanità - comunque imperfetta - ritroverà l'amore di cui ha bisogno e la forza per rimediare ai propri errori.
