Povera Casa (Italian Edition)

Laura Fregolent

Povera Casa (Italian Edition) Laura Fregolent

Il volume restituisce i lavori del seminario internazionale dal titolo “Povera casa” nel quale e con un approccio di carattere multidisciplinare si sono confrontati diversi gruppi di ricerca impegnati sul tema della casa e delle politiche abitative in tempo di crisi.

Il volume è articolato in due parti principali: la prima restituisce il quadro analitico e di riferimento a scala internazionale; la seconda affronta il tema delle politiche per l’abitare, e si propone di affrontare da prospettive disciplinari e angolature molteplici il tema della crisi economico-finanziaria che ha investito il mondo occidentale e degli impatti che questa ha esercitato sulla questione abitativa, nonché delle prospettive di governo del fenomeno.

Tre i nuclei tematici attorno ai quali la riflessione si sviluppa a partire dagli impatti della crisi, quello della ricaduta sull’organizzazione della città e del territorio in termini di mobilità residenziale ma anche di segregazione spaziale, e della necessità di ripensare le politiche pubbliche valutando l’efficacia degli strumenti finora mobilitati e quelli da costruire in chiave strategica.
