On The Run...

After werewolves Elaine Hawthorn and Cearnach MacNeill almost have a head-on collision on a foggy Highland road, they're pretty well stuck with each other. It'll be hours before anyone can get there to pull his car out of the ditch and they both have better places to be.

And Nowhere to Hide From Each Other...

The sexy little American brings out all of Cearnach's big bag protective instincts. If she thought she was in trouble before, Elaine has no idea what kind of complications a hot Scot can cause...
