“I stand here on the summit of the mountain. I lift my head and I spread my arms. This, my body and spirit, this is the end of the quest. I wished to know the meaning of all things. I am the meaning. I wished to find a warrant for being. I need no warrant for being, and no word of sanction upon my being. I am the warrant and the sanction. Neither am I the means to any end others may wish to accomplish. I am not a tool for their use. I am not a servant of their needs. I am not a sacrifice on their alters.” ? Ayn Rand, Anthem

Ayn Rand's dystopian novel imagines a world where the concept of self has been erased. When one man stands against the establishment, he dares to utter the word “I.”
