Detrás del muro: Novela de mi memoria imprecisa (Spanish Edition) Roberto Ampuero

El Muro de Berlín se alza amenazante antes sus ojos. Lo precede la franja de la muerte, con un campo minado, perros, torres de vigilancia y alambradas que impiden a cualquier germano-oriental cruzar a Occidente. Es el socialismo real, un mundo en las antípodas de los sueños de un joven veinteañero e idealista. En este relato en primero persona la esperada continuación de Nuestros años verde olivo, Roberto Ampuero narra los años en que vivió en la República Democrática Alemana, adonde llegó huyendo de la dictadura chilena cuando era un militante de las JJCC de Chile. Allí se encontró con la solidaridad del gobierno comunista que le permitió vivir y estudiar y amar, pero asimismo, con un sistema represivo, atrasado en décadas económica y culturalmente, y que solo podía mantenerse en pie gracias al estado policial y a las tropas soviéticas allí estacionadas. Detrás del Muro es la historia de un joven que se desencantó de un sistema aplastante y jerárquico, en el que el individuo no valía demasiado. Y es una reflexión sobre la necesidad de defender la libertad y la dignidad del ser humano frente a las ideologías totalitarias.
