Fire in the Stars: An Amanda Doucette Mystery

Barbara Fradkin

Fire in the Stars: An Amanda Doucette Mystery Barbara Fradkin A former aid worker returns home haunted by her time in Africa and channels her pain into a murder investigation that's all too personal.

After surviving a horrific trauma in Nigeria, international aid worker Amanda Doucette returns to Canada to rebuild her life and her shaken ideals. There, the once-passionate, adventurous woman needs all her strength and ingenuity when a friend and fellow survivor goes missing along with his son.

A trained first-aid and crisis responder, Doucette — always accompanied by her beloved dog Kaylee — joins forces with RCMP officer Chris Tymko to discover the truth about the disappearance. Their search leads them to the Great Northern Peninsula, a rugged landscape of Viking history, icebergs, whales, and fierce ocean storms. Elsewhere, a body gets hauled up in a fisherman's net, and evidence is mounting of an unsettling connection with Amanda's search for her friend. Fradkin writes evocatively of the beautiful, often hostile, Newfoundland landscape where Amanda soon finds herself fighting for her very survival.
