Herod: Reflections on Political Violence Conor Cruise O'Brien

In *Herod: Reflections on Political Violence* (first published in 1978) Conor Cruise O'Brien collects a number of essays alongside three short plays that dramatise political arguments through the infamous figure of the Roman king of Judaea for whom the collection is named.

'A great book. In it, O'Brien not only denounces IRA terrorism, as you would expect from a mainstream politician, but - in a sense quite different from the rationalisations offered by ideological apologists for political violence - seeks to understand it. I mean, *really* understand it - not extenuate it by equivocation and non sequitur. And his thinking leads him to attack the republican mythology at the heart of the Irish state. Few writers have analysed terrorism so acutely or been as effective in undermining its ideological justifications.' Oliver Kamm, from his preface to this edition

From reader reviews:

Amos Curley:

As people who live in the actual modest era should be change about what going on or data even knowledge to make these keep up with the era which can be always change and progress. Some of you maybe can update themselves by reading books. It is a good choice for you personally but the problems coming to a person is you don't know what kind you should start with. This Herod: Reflections on Political Violence is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

John Kirk:

A lot of people always spent all their free time to vacation or even go to the outside with them family or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or playing video games all day long. In order to try to find a new activity honestly, that is look different you can read any book. It is really fun in your case. If you enjoy the book that you simply read you can spent the whole day to reading a book. The book Herod: Reflections on Political Violence it is quite good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. In case you did not have enough space bringing this book you can buy typically the e-book. You can m0ore quickly to read this book through your smart phone. The price is not too expensive but this book offers high quality.

Randy Mosley:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Herod: Reflections on Political Violence can make you experience more interested to read.

Robert Wolfe:

What is your hobby? Have you heard which question when you got scholars? We believe that that problem was given by teacher to their students. Many kinds of hobby, All people has different hobby. And also you know that little person similar to reading or as reading become their hobby. You have to know that reading is very important along with book as to be the issue. Book is important thing to add you knowledge, except your personal teacher or lecturer. You find good news or update in relation to something by book. Different categories of books that can you choose to adopt be your object. One of them is this Herod: Reflections on Political Violence.
