Protecting Against Eternal Identity Theft: Remembering Your Divine Potential Barbara D. Lockhart, Wendy C. Top, Brent L. Top

In the digital age we often use the term identity theft to describe an increasingly common means of financial fraud. But we are also at risk for a different kind of identity theft—a spiritual fraud—that is infinitely more dangerous. With cunning skill, the adversary creates confusion and misery by sending powerful messages that contradict our individual worth, purpose, and potential. Yet by learning and relearning divine truths regarding our eternal natures, we can protect ourselves against this dire and pervasive threat. With wisdom and hope, each chapter of this practical guide addresses a “frequently asked question” that inspires and expands our understanding of our true identity, shows us how the adversary attempts to rob us of it, and teaches us how we can prevent this spiritual crime so we may more fully rejoice as children of God.
