Cavafy: 166 Poems: Translated with an Introduction by Alan L. Boegehold Consantine P. Cavafy
Constantine Cavafy is considered the greatest of modern Greek poets. His poems treat historical, philosophical, and erotic themes, sometimes altogether, and share a unique “voice.” This volume includes a fresh translation by noted classical scholar Alan Boegehold, a translation that captures the style as well as the meaning of the Greek, and a foreword discussing Cavafy’s distinctive values.
