The Malcontents are back in action! *Into the Wild*, the new novel from acclaimed author Larry Correia, picks up the story begun in Correia's first entry in the series, *Into the Storm*. Now under the leadership of the reluctant Lieutenant Kelvan Cleasby, the Sixth Platoon of Storm Knights has been ordered to accompany an archeological expedition from the Royal Cygnaran University deep into the Wyrnwall Mountains. There, the scholarly team from the university will investigate an ancient site of potentially great historical value while the Malcontents stand around playing bodyguards and wishing for just a little excitement. But what seems a simple enough assignment rapidly turns into a test of the platoon's survival skills—a seemingly abandoned fort, the lone survivor of a horrifying attack, and a ferociously territorial tribe may be more than even the Malcontents can handle. And even once they know the monsters they face, escape may well be impossible—it's never as easy to get out as it is to get into the wild.
