Routledge Handbook of Deviant Behavior (Routledge International Handbooks)

Routledge Handbook of Deviant Behavior (Routledge International Handbooks)

The *Handbook of Deviant Behavior* presents a comprehensive, integrative, and accessible overview of the contemporary body of knowledge in the field of social deviance in the twenty-first century.

This book addresses the full range of scholarly concerns within this area – including theoretical, methodological, and substantive issues – in over seventy original entries, written by an international mix of recognized scholars. Each of these essays provides insight not only into the historical and sociological evolution of the topic addressed, but also highlights associated notable thinkers, research findings, and key published works for further reference. As a whole, this *Handbook* undertakes an in depth evaluation of the contemporary state of knowledge within the area of social deviance, and beyond this considers future directions and concerns that will engage scholars in the decades ahead.

The inclusion of comparative and cross-cultural examples and discussions, relevant case studies and other pedagogical features make this book an invaluable learning tool for undergraduate and post graduate students in disciplines such as criminology, mental health studies, criminal theory, and contemporary sociology.
