The Christian Counselor's Manual is a companion and sequel to the author's influential *Competent to Counsel*. It takes the approach of nouthetic counseling introduced in the earlier volume and applies it to a wide range of issues, topics, and techniques in counseling: *Who is qualified to be a counselor? *How can counselees change? *How does the Holy Spirit work? *What role does hope play? *What is the function of language? *How do we ask the right questions? *What often lies behind depression? *How do we deal with anger? *What is schizophrenia? These and hundreds more questions are answered in this comprehensive resource for the Christian counselor. A full set of indexes, a detailed table of contents, and a full complement of diagrams and forms make this an outstanding reference book for Christian counselors.
