"'Twas the night before Halloween, and all through the house, All the creatures were stirring, except for the mouse. The monsters had gathered to plan and prepare, For the trick-or-treaters who soon would be there?."

Little monsters and goofy goblins take center stage in this silly, spooky spin on Clement C. Moore's beloved poem. But what will happen on Halloween when the monsters come face to face with human trick-or-treaters in this fun-filled book by the author of *The Night Before Easter*?
