Treasure Island

Robert Louis Stevenson

Treasure Island Robert Louis Stevenson

Inspired by the tall tales left behind by a weathered, old seaman upon his death, young Jim Hawkins sets sail on a swashbuckling adventure of a lifetime to find the treasure—marked with an "X"—on an old map that belonged to an infamous pirate called Captain Flint.

First serialized in *Young Folks* magazine, the influence of Robert Louis Stevenson's *Treasure Island* continues to be seen today in movies like *Pirates of the Caribbean* with swarthy sailors singing "yo-ho-ho and a bottle of rum," bloodthirsty buccaneers, and, of course, one-legged sailors with parrots perched on their shoulders. *Treasure Island* has been adapted for radio, theatre, film, and television, and remains one of the most popular novels to be dramatized.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.
