The ghosts of all Michael's victims are making Rachel's life hell. Worse, every ghost in Summer Park wants her to help them find peace. Desperate to get away, she grasps for a lifeline—even though the other end is held by a man she can never have.

Dr. Garrett Wolfstrom has always suspected something is different about Rachel, but when she starts hanging poppets in all his windows, he makes one last-ditch effort to get the woman he's always loved to open up to him.

Their mutual attraction reaches a flash point just as Rachel's ghosts catch up with her. If they can't find a way to trust each other with their hearts, the most dangerous ghost of all could find a way to settle the score—permanently.

Warning: This book contains a sizzlingly sexy doctor, a psychic just coming into her power, and a passion hot enough to beat the summer heat.
