Color of Desire/Hurricane: Two Plays by Nilo Cruz Nilo Cruz

"The words of Nilo Cruz waft from the stage like a scented breeze. They sparkle and prickle and swirl, enveloping those who listen in both specific place and time . . . and in timeless passions that touch us all."—*The Miami Herald*

One of the United States' most-produced Cuban American writers, Nilo Cruz employs his signature poetic imagery and vivid language to tender and humorous effect in this pair of his newest works. *The Color of Desire*, set in 1960 Havana, revolves around a passionate romance between an American businessman and an out-of-work Cuban actress. As the relationship becomes a metaphor for their countries' ruptured love affair, Cruz artfully weds magical realism to a familial story that is touching, harrowing, and funny. In *Hurricane*, a damaged family—a fire-and-brimstone missionary; his wife, who he saved in more than the spiritual sense; and their adopted son, who seems to have materialized from the ocean—face a shocking crisis when a hurricane ravages their Caribbean town. A celebration of humility, generosity, and kindness, Cruz's play explores the nature of identity, faith, and the redemptive power of love.

Nilo Cruz is the author of the Pulitzer Prize–winning *Anna in the Tropics*, as well as *A Park in Our House*, *A Bicycle Country*, *Dancing on Her Knees*, *Night Train to Bolina*, *Two Sisters and a Piano*, and other works.
