Rolando Hanglin

Hanglin antiprogre: Sobre la gente que era feliz antes del Progresismo (Spanish Edition) Rolando Hanglin

La clase media argentina está cada vez más indignada y, en este contexto, Rolando Hanglin vuelve a la carga, más irreverente y polémico que nunca. Sin pelos en la lengua y dueño de un estilo que hace reír a carcajadas, Hanglin y su alter ego, el señor González, se animan a desmitificar la bondad intrínseca del progresismo, una caricatura del progreso con el que nuestros antepasados alguna vez soñaron. Ese ex alumno del Nacional Buenos Aires que vivió la revolución hippie de los sesenta hoy se sorprende frente a una generación que toma el colegio ante el menor inconveniente, hace "pogo" en los recitales y sale a bailar a las cuatro de la mañana. Como si fuera poco, repasa algunos malentendidos de la historia argentina que dieron origen a lo que él llama "la deformación del progreso" y rescata la figura de próceres con mala prensa. Ya sea que hable de las señoras que leen novelas eróticas en sus ratos libres, de la onda swinger o de las campañas al desierto, Hanglin encarna la voz de un grupo de gente que se siente expulsado por un mundo al que no comprende.
